THE NEWS FROM ABROAD.

HOLROYD'S

Derby Ribbed

UNDERWEAR

FOR MEN.

The originator of the HOLROYD DERBY RIBBED UNDERWEAR has been a manufacturer of Knit Goods for the past twenty-four years, and during that time has produced nearly all the styles of Knit Underwear known to the trade. This experience has enabled him to become thoroughly acquainted with every department of this branch of manufacture, and the Holroyd Underwear, now so celebrated, are the legitimate outgrowth of that long experience. They are nowhere excelled, but are as near perfection as skill, best material, patient care, and the most improved machinery can make them, and each year's largely increased sales fully attest their popularity.

To protect the trade and consumers from being imposed upon by cheap imitations, WE WILL FIND EACH GARMENT STAMPED WITH THE FOLLOWING TRADE-MARK, without which none are genuine:
